

# Utah Concealed Firearms Instructor Newsletter

July 2007  
Part II

Utah Bureau of Criminal Identification, 3888 W 5400 S, SLC, UT 84118  
bci.utah.gov 801-965-4445

## IMPORTANT UPDATES

- 1 FBI Fingerprint Card Fee Change "amendment"
- 2 Instructor Notifications

## FBI Fingerprint Card Fee Change "Amendment"

Due to department programming priorities, the effective date for the change in the fingerprint fees has been changed to September 1, 2007. The fee to obtain a Utah Concealed Firearm Permit will be \$65.25. In the previous newsletter the date posted was August 1, 2007. Please disregard the previous date. The website and downloadable applications have been updated to reflect the change. Applications postmarked and or received before September 1, 2007 will be charged the \$59.00 fee. Applications there after will be charged the \$65.25 fee.

The FBI has increased the fingerprint fee from \$24.00 to \$30.25 thus requiring the increase in the application fee. Please insure your students are submitting the correct payment. Please discard any applications you may presently have as to insure your students are getting the most current application. Thank you for your cooperation in regards to the application fee change.

## Instructor Notifications

BCI is in the process of streamlining the notification process to instructors. Email appears to be the easiest, fastest and most cost effective way to relay information to instructors. All instructors preferring to be notified of changes/updates to the program via email rather than through a mailed newsletter notify BCI personnel by doing the following: send an email to [dpsfirearms@utah.gov](mailto:dpsfirearms@utah.gov) Please include your full name, instructor number and the email address you wish to receive correspondences at.

### Example:

Name: Jon Calvin Doe Instructor #: I123456 Email Address: jcd@emailme.com

Instructors not wishing to receive updated information via email will be sent news letters as normal. If you have any suggestions on how BCI can improve the firearms section, please attach your comments with your email. Instructors are the vital component to assuring the program runs efficiently and smoothly. Your comments will be valued and greatly appreciated.
